International Workshop and Conference on Combinatorial Matrix Theory and Generalized Inverses of Matrices

02 - 07 January 2012 10 - 11 January 2012

A Report.

Venue: Innovation Center Building MIT Campus Manipal.

1 About Workshop and Conference

1.1 Objective of the Conference

Generalized inverses of matrices and combinatorial matrix theory are among areas of matrix theory with a strong theoretical component as well as with applications in diverse areas that have seen rapid advances in recent years. The interaction between graph theory and matrix theory is known to be very fruitful, and example abound where generalized inverses of matrices arising from graphs play an important role. Just to give one example, an expression for the resistance distance between two vertices in a graph in terms of a generalized inverse of the Laplacian matrix is a key tool. The two-day Conference intend to provide an ideal opportunity for participants from India and abroad to interact and exchange ideas in pleasant and academic surroundings.

1.2 Objective of the Workshop

The objective of the workshop is providing a platform for the young generation to have an exposure to lectures from leading mathematicians on the area of Combinatorial Matrix theory and Generalized inverses and its Applications. Apart from tutorial lecture on these topics, the organizers intend to provide exposure to allied linear algebra topics through some special lectures. To meet this objectives several tutorial lectures, special lectures and discussion hours are arranged. An environment for young scholars to interact with leading mathematicians is also created on and o the venue.

1.3 Participation

Having an initial response of 150 individuals (32 Speakers, 56 Students and 63 other participants), the actual attendance for the workshop and conferences were 114 (97 for workshop and 102 for the conference). We have received response from

- 1. Bangladesh,
- 2. Canada,
- 3. Estonia,
- 4. Finland,
- 5. Germany,
- 6. Ireland,
- 7. Nepal,

apart from India. Most of the speakers who have given their initial consent made their presence possible except two cases where in one case the speaker could not make it because of VISA and other due to financial constraint. The organizing committee was very happy with the response from the speakers for the workshop and conferences.

2 Endorsement and Support

2.1 Societies and National Agencies

The organizers are thankful to International Linear Algebra Society(http://www.ilasic.math.uregina.ca/iic/) for endorsing these events.

SOCIETY FOR INDUSTRIAL AND APPLIED MATHEMATICS(http://www.siam.org/) for being cooperating society.

The organizers place in record their thanks to Professor Steve J Kirkland, the President of ILAS for obtaining the endorsement and agreeing to be the representative of SIAM for these events.

While conducting an international event of this level apart from providing good academic environment and materials, local hospitality of high standard and the local travel facilities are equally important which demand the involvement of very high amount of finance.

Many speakers from abroad and some from organizations like IIT's and ISI have utilized their personal research grant to reach this place and only their local expenses are taken care of by the organizers. Organizers take this opportunity to thank their respective organizations for the support that enabled scientists of high repute meet here and the scholars of the region are benefitted from the formal and informal interaction.

In the interest of providing benefit for students and scientists in the underdeveloped countries of ASIA and help them in developing strong network with the rest of the world, ICTP(International Centre for theoretical Physics) granted a sum of 3000 Euro. They have also permitted the organizers to utilize a part of the amount for a speaker from another country also

THE ABDUS SALAM INTERNATIONAL CENTRE FOR THEORETICAL PHYSICS(http://www.ictp.it/) supported us by awarding travel grant for selected speakers.

The speakers nominated for partial support of ICTP travel grant are

- 1. Prof. Yimin Wie, Fudan Univesity, Shanghai, China.
- 2. Prof. Md. Maruf Ahmed, BRAC University, Dhaka, Bangladesh.
- 3. Prof. Oskar Maria Baksalary, Adam Mickiewicz University, Poland.
- 4. Prof. Om Prakash Niraula, Tribhuvan University, Kathmandu, Nepal.

Unfortunately, Prof. Yimin Wie could not turn up due to a problem with him getting VISA but the other three have utilized the ICTP grant for their travel and local hospitality.

Photograph 2: Ashma, Pavan, Suma, Nitin, Anitha, Shruti, Shavina, Pallavi, Serah and Banuchitra at Registration Counter

The following national agencies have supported through the grants which enabled the organizers to have the success in organizing the events:

Central Statistical Office Ministry of Statistics and Programme Implementation (http://www.mospi.nic.in)

COUNCIL OF SCIENTIFIC AND INDUSTRIAL RESEARCH (http://www.csir.res.in) for supporting us by awarding separate grant-in-aid for workshop and conference.

NATIONAL BOARD FOR HIGHER MATHEMATICS (http://www.nbhm.dae.gov.in) for supporting us by awarding grant-in-aid.

2.2 Support from Manipal University

Manipal University is always keen on supporting research related activities. So, the university has provided the maximum possible support to the organizers, apart from regular administrative, secretarial and logistic support. It has provided the maximum possible local transportation to all the delegates and provided accommodation for about 17 speakers at FIVV (normally an accommodation at FIVV costs about INR 6,000 per day for a person) during the workshop and conference. Also, the conference dinner on the day of inauguration of conference is subsidized to the extent of 50 percent. The University has provided the dedicated lecture halls with audio and visual facilities. The support provided by the Manipal University is informally estimated for the cost about INR 10,00,000 (Ten Lakh only).

3 Feedback and the Response

In general, all the participants have expressed their happiness towards

Hospitality

Academic Environment

Facilities available around and

the opportunity they got for the interaction and learning new ideas from leading Mathematicians.

A comment from the participants is that

with an assurance of travel support, many scholars not receiving any funding agencies would have attended and benefited from the program.

With the last comment, organizers find the reason for several dropout but felt helplessness as the response, for our request of fund support, from several agencies till November was not encouraging and could not commit firmly on support for the scholars. Of course, from the organizers end the registration fee is already subsidized to large extent.

4 International Workshop, 02 – 07 January 2012

The workshop was for the duration of 6 days consists of 10 tutorial lectures (21 Hrs.); 6 special lectures (7:30 Hrs.) and formal as well the informal discussion hours on each day. The afternoon session of Saturday (last day) was spent on taking feed back and valedictory session. Organizers are committed to publish and distribute among all participants at free of cost the lecture notes on selected lectures delivered in the workshop. Editors for the volume are Prof. Bapat Prof. Kirkland Prof. Prasad Prof. Puntanen.

Photograph 3: Release of Souvenir

Workshop was inaugurated by Pro Vice Chancellor - Dr. H. Vinod Bhat. Prof. Steve Kirkland and Prof. R. Balakrishnan were the guests of honor for the function. Souvenir of the workshop was released by Prof. Kirkland.

The actual conduct of the workshop is as given in the following schedule:

5 International Conference

Two days conference starting on 10th January was with FOUR plenary sessions, 18 invited talks and 12 contributed talks. Invited talks and contributed talks were arranged in three parallel sessions. Plenary talks were arranged in PROF. S.S. SHRIKANDE HALL and three parallel sessions were arranged in PROF. R.A. BRUALDI HALL, PROF. M.P. DRAZIN HALL and PROF. ADI-BEN ISRAEL HALL respectively. Organizers have arranged for an agreement with SPRINGER in publishing the proceedings of the conference with an editorial board comprising Prof. Bapat Prof. Kirkland Prof. Prasad and Prof. Puntanen.

The initial list of speakers (invited and contributed) was as given below: List of invited speakers presented papers in the conference:

- 1. Rafikul Alam, Indian Institute of Technology, Guwahati
- 2. OSKAR MARIA BAKSALARY, Adam Mickiewicz University, Poland
- 3. R. Balakrishnan, Bharathidasan University, Tiruchirapalli
- 4. Rajendra Bhatia, Indian Statistical Institute, New Delhi
- 5. Francisco Carvalho, Polytechnic Institute of Tomar, Portugal
- 6. Jeffrey Joseph Hunter, Auckland University of Technology, New Zealand
- 7. Surender Kumar Jain, Ohio University, USA
- 8. Steve J Kirkland, Hamilton Institute, Ireland
- 9. Tõnu Kollo, University of Tartu, Estonia
- 10. Bhaskara Rao Kopparty, Indiana State University, USA
- 11. S.H. Kulkarni, Indian Institute of Technology, Madras
- 12. Augustyn Markiewicz, Poznan University of Life Sciences, Poland
- 13. A. R. MEENAKSHI, Annamalai University, Chennai
- 14. Simo Puntanen, University of Tampere, Finland
- 15. TES RAGHAVAN, University of Illinois at Chicago, USA
- 16. Sharad S Sane, Indian Institute of Technology, Bombay
- 17. K.C. Sivakumar, Indian Institute of Technology, Madras
- 18. SIVARAMAKRISHNAN SIVASUBRAMANIAN, Indian Institute of Technology, Bombay.
- 19. Murali Srinivasan, Indian Institute of Technology, Bombay

- 20. George PH Styan, McGill University, Canada.
- 21. GÖTZ TRENKLER, Technische Universitat Dortmund, Germany
- 22. Hans Joachim Werner, University of Bonn, Germany

List of speakers presented contributed paper in the conference:

- 1. Mohammad Maruf Ahmed, BRAC University, Dhaka
- 2. A. Anuradha, Bharathidasan University, Tiruchirapalli
- 3. Ravi Shankar Bhat, Manipal Institute of Technology, Manipal
- 4. Sachindranath Jayaraman, Indian Institute of Science Education and Research, Kolkata
- 5. Debajit Kalita, Indian Institute of Technology, Guwahati
- 6. K. Kamaraj, University College of Engineering, Arni
- 7. Kuncham Syam Prasad, Manipal Institute of Technology, Manipal
- 8. K. Shreedhar, K. V. G College of Engineering, Sullia.
- 9. Kedukodi Babushri Srinivas, Manipal Institute of Technology, Manipal
- 10. G. Sudhakara, Manipal Institute of Technology, Manipal
- 11. H. S. Sujatha, Manipal Institute of Technology, Manipal

The valedictory function for the conference was chaired by Vice Chancellor - Dr. K. Ramnarayan and the chief guests on the occasion were Prof. SK Jain, Prof. Je rey Hunter, Prof. HJ Werner and Prof. Kumkum Garg. Prof. R.B. Bapat, the chairman of Scientific committee and Prof. NSK Nair were also presided over the function. Prof. Sane from IITB, Prof. Om Prakash from Thribhuvan University Nepal and Prof. Kirkland, President of ILAS are prominent among individuals giving feedback on conference. There was overwhelming appreciation on the conduct of conference which gave an opportunity for Mathematicians from several countries to meet and discuss in a wonderful academic and beautiful environment. Everyone appreciated on the academic reward benefited through the conference. Prof. Bapat announced on publication of lecture notes on selected workshop lectures which is to be published by Manipal University Press and proceedings of the conference published by the Springer.
